

Guide to Building Your E-Commerce Store

Welcome to the journey of becoming your own boss with a professionally designed e-commerce store! Here's a step-by-step guide to get you started:

Special Offer

Take advantage of our special social media discount price of **\$495.99** for a one-time website build fee.

What You Need to Provide

To build your e-commerce store, please provide the following personal information:

- Name
- Address
- Phone Number
- Email Address
- Business Name
- Business Category
- Your banking **(DO NOT SEND) I WILL HELP YOU SET IT UP YOURSELF WHEN YOUR STORE IS READY.**

Payment Options

- **Credit Card:** Pay directly using your credit card.
- **Zelle:** Send payment via Zelle to Odney Joseph at (347) 369-9783.

Payment Confirmation

After completing your payment via either method, please email the following to info@odneyjoseph.com: For description: add "payment for E-commerce store design" alongside your name.

- Your personal information
- A screenshot of your payment confirmation

Important Information

- **No Refunds:** Please note that we cannot provide a refund once you sign up for our service.
- **Payment Method:** Ensure you have a payment method set up so you can receive payments from your customers.

What's Included

- **Website Design:** Your store will be designed to be user-friendly and visually appealing.
- **10 Winning Products:** Choose a category (e.g., beauty, pets), and your store will include 10 top-performing products from that category.
- **Access Document:** Upon completion, you'll receive a document with all the necessary information to access and manage the backend of your website.

Post-Launch Information

After your website is built, you will be responsible for paying the monthly fees to **Shopify** and **AutoDS** to keep your store running.

- **Shopify:** A platform to manage your store.
- **AutoDS:** An automated dropshipping tool to help manage inventory and orders.

Flexibility with Plans

At any point, you can choose to downgrade or upgrade your plan. Simply contact customer service for either Shopify or AutoDS to make changes to your subscription.

Learning and Support

Although I won't be available for ongoing support after the website is completed, both Shopify and AutoDS offer excellent tutorial videos and support resources to help you navigate your store.

- **Shopify Support:** Comprehensive guides and video tutorials are available on Shopify's website.
- **AutoDS Support:** AutoDS offers detailed instructions and videos to help you make the most of their service.

Additional Information

- **Customization:** Ensure you communicate any specific customization requests early in the process.
- **Payment Integration:** Decide on the payment gateways you want to use (e.g., PayPal, Stripe) and provide the necessary details.
- **Shipping Settings:** Clarify your shipping policies and preferences for setting up shipping rates.
